Packaging & Label Examples

Examples of the packet style and label presentation that can be paired with Gourmet Blending flavor offerings.

Packaging Formats

- Clear packets shown with four product examples
- Standard packet labeling commonly uses a 3×3 front label
- Breads, soups and casseroles generally use a 4×5 label format
- Customers may provide artwork or request Gourmet Blending label development

Label Presentation Examples

A full-color front/back label set and a simple front-label example.

Full-Color Front Label Example

Coordinating Back Label Example

Simple Front Label Example

- Clean front-facing style for a simple, readable presentation
- Can stand alone as a straightforward packet label
- Can also be paired with a coordinating back label when needed
